

Standex-Meder Electronics: Packaging Change Customer Notification | MK24 Series Reed Sensors

04.25.2017

Dear Valued Customer,

In an effort to continue to improve the solutions Standex-Meder Electronics provides to our customers, we have reduced our sales package quantity from 1,000 piece reels to 500 piece reels. **This change is effective immediately.**

Products included in this change:

Part Number	Description
MK24-B-2-OE	Reed Sensor, 1 Form B, SPST-NC, 5mm Surface Mount (Gull Wing Leads) AT 15-30
MK24-B-3-OE	Reed Sensor, 1 Form B, SPST-NC, 5mm Surface Mount (J Leads) AT 15-30

Note: This change does not apply to all our MK24 Series Reed Sensors, just the Form B contact configuration models listed above.

Sincerely,

Julie Dargie
