Standex-Meder Electronics: Notice of Product Change | Effective Immediately the KSK-1A35-xxxx, MK22-x-x, and MK23-35-x-x are “Currently Unavailable” Until Further Notice

12.05.2017

Dear Valued Business Partner:

We regret to inform you that due to manufacturing capacity, the below items are “currently unavailable” until further notice. We have invested in new capital equipment to resolve our capacity issue that is due in by March 2018 but it will take some time to implement and backfill orders.

Please **contact us** on how you would like to proceed with any **existing open orders**. Currently we are giving priority to “Automotive” customers to avoid a line down situation. Please refer to the transition table below on alternatives to the “currently unavailable” items listed.

Transition Table:

Part Number	Availability	Alternative Part Number
KSK-1A35-0510	“Currently Unavailable”	KSK-1A87-1015
