

# REED SWITCHES

## STANDEX HISTORY

- Global Leader
- History of Innovation
- Top Volume Producer
- Proven Producer
- Customer-Focused Engineering Solutions

## WHY OUR SWITCHES?

- No Power Draw
- Corrosion Proof
- Long Life
- Hermetically Sealed
- High Performing
- Efficient

## CAPABILITIES

- Engineering
- Design
- Tooling
- Testing
- Production
- Manufacturing
- Quality Control
- Value Chain & Packaging

MATERIALS/ENGINEERING	APPLICATIONS	VALUE CHAIN
Plated with metals from the Platinum group: Rhodium, Ruthenium, Palladium, Iridium	Electronics	Multiple Product Options
	Consumer	Tape & Reel Method
	Testing & Measurement	Combinations Within Sensors
	On / Off & Controls	Multiple Packaging Options
		Various Solutions

## FULL PRODUCT RANGE

Reed Switches • Reed Relays • Optocouplers • Reed Sensors • Magnetics • Planar Technology
